Dear Dad,

Just would like to invite you and Mother to come to Freshman Parents day , Saturday Oct.21. The two of you could fly up Friday afternoon and I could pick you up at the airport. Please advise me as to your decision so I can make plans for your arrival. It will be necessary for you to make reservations as soon as possible, at Nassau Inn at Princeton.

Mother should receive all the literature that ~~xxxx~~ Princeton sends to the Freshman Parents. But just in case you are not notified enclosed in this monumental letter is the itinerary for the Saturday.

Please make plans for coming because I would enjoy your company, and hopefully vice-versa.

Your ever striving son,

Matthew C. Flournoy

September 1972

Dear Members of the Class of 1976:

I wish to extend to you a warm invitation to join your parents in attending all the functions scheduled for Freshman Parents Day, Saturday, October 21, 1972. An invitation has been sent to your parents and I hope that it will be possible for them to attend.

The purpose of the day is to attempt to convey to your parents a better idea of what Princeton is, how it functions in the broadest sense as an educational institution and what its aspirations are, both for you and the institution. This year's program will give your parents the opportunity to participate in a panel discussion of their choice. If you have any questions, please call the Princeton University Conference Office, X-3372.

Enclosed is a schedule of events for the day. An application for football tickets for the Colgate game has been sent to your parents. We have asked them to send this application and their check to you so that you may combine your game coupon with their application. In this way you will be able to sit with them in a preferred location in the Special Parents Section on the visitors' side of the field, if you so desire. You may do this at the football ticket office in Jadwin Gymnasium prior to October 9th.

Sincerely yours,

Neil L. Rudenstine
Dean of the College
